PAST EVENTS...just to name a few!

Summer Classic Team Sponsorship

Mother's Day Flowers

This has been a long standing event. We honor mother's that have children deployed, have lost a child or may be suffering with a serious illness. On Mother's Day weekend with the help of our little "wish pixies" we delivered beautiful floral arrangements to these remarkable Moms!

Wishing 2021

Our members had the opportunity to nominate a "Pandemic Up Stander," this included doctors, nurses & people that did amazing things during difficult times. We then surprised the person with a special gift. We like to pay it forward. Therefore, all the gifts were purchased from the various businesses that always support us! We delivered over 40 gifts!

WISH Soiree & WISH Community Service Scholarship

The Soiree was an event that replaced our Red, Wish and Blue event. Every now and then we like to change up things to keep them fresh. This year our Soiree was held on June 11th @ Jameson's. The event was well attended and as tradition we awarded our WISH community Service Scholarships, Congratulations to **Noelle McElhinney & Scarlette Markle.**

Incredible young women who have donated their time.

Representing what WISH is all about!

BLUE RIBBON CHALLENGE

Join your neighbors and Rockaway WISH in showing our support for the NYPD. We are putting up blue bows around the neighborhood.

Two young men attended a **CFX Service trip** to build houses in Tennessee. We made a donation to assist. Good Luck Boys! Make us proud!
